## No School or Childcare Monday, September 6

We hope you have a wonderful long weekend!

## Arrival Time

Please have your child to school by 8:30 each morning. We want each of our students to have the opportunity to learn all the important things Mrs. Grossman and Mrs. Martuneac are teaching each class, and they start their instruction at 8:30 AM. We'd hate for your child to miss out on any of the fun!

## Parking Reminder

Why do we ask you to park in the parking spaces? The most important reason is safety. Please be a courteous example to everyone by parking in designated parking spaces rain, snow, or shine, and even if you're in a big hurry! Please share this information with anyone who might drop off or pick up your child, also. This policy applies all day, 7:00 AM until 6:00 PM.

## Childcare Pick-up Procedure

Our childcare workers are doing their best to get to know you and the other adults you may have picking up your child. To assist us in this necessary safety measure, please let the workers know who you are by telling them your name and who your child is. Share this procedure with any other adult you may have picking up your child.

## Backpack Reminder

A complete change of clothing should be in your child's backpack each day, including underwear and socks. You just never know when those little accidents may happen!
